

SUSTAINABILITY POLICY

MBD Contracting promotes a positive culture that focuses significance on social, environment and economic sustainability and encourages innovations to further promote our values.

We are committed to:

- Collaborating with key suppliers to promote responsible procurement of goods and services with a focus on sustainability and technological advancements.
- Working with communities to protect and enhance their local natural assets and demonstrating a commitment to social engagement.
- Continual improvement in sustainability practices and embracing innovative solutions.
- Engaging with our stakeholders to promote sustainability and building partnerships for sustainable development.
- Monitoring and reporting our overall sustainability performance and demonstrating transparency and accountability.
